" Knights of Columbus Council 4386/Corpus Christi Parishioners Garden of Hope"

Another successful year of our garden has come and gone. We were able to donate approximately 400 pounds of tomatoes, green peppers, cabbage and zucchini to the Downtown Mission.

Thank you especially to Ashley, Jeff and the Rivard children and to my wife Rosemary for their dedication to maintaining the garden. We look forward to next year's harvest.

There are many ways to define our fragile human existence; many ways to give it meaning. But it is our memories that shape its purpose and give it context. The private assortment of images: fears, loves, sacrifices, tragedies, joys, sorrows etc.... for it's the cruel irony of life that we are destined to hold the dark with the light, the good with the evil, success with disappointment. This is what makes us human, and is a glaring example as to why the power of the human spirit will always out do robots, computers and or artificial intelligence. We must always fight to hold onto the power of the human spirit. **Submitted by; Brother Justin Artale**
